DEADLINE FOR THE NINETY-SECOND ISSUE-----APRIL 1ST

President's Message December, 2007:

I hope the Holidays find you all well and enjoying the hobby!!

I still keeping in touch with what's going on with my fellow numismatists, I have been going to some club meetings for different activities from "Hot Dog Night to "Steak Night", "Auctions to Bingo" and "Picnics to BBQs", you just never know what Coin Clubs have in store for their members. With some great programs like learning about paper money or just learning from all your Show-N-Tells.

I have also been attending some Coin Club Shows, in October there was the Delta Coin Club show at Eagle's Hall, Stockton; Diablo Numismatic Society show at Holiday Inn, Concord; in November there was the Peninsula Coin Club show at Napredak Hall, San Jose and in December there was the Chico Coin Club show at Masonic's Hall, Chico.

Along with shows there was a special event in October, the CSNA Educational Symposium, held at the Vallejo Naval and Historical Museum hosted by the Vallejo Numismatic Society with four great speakers and found me moderating. And in December there was the Joint Christmas Party, hosted by the Fairfield Coin Club and the Vallejo Numismatic Society at Anheuser-Busch Brewery in Fairfield where I presented two NCNA President's Medal, 1) Jon M. Marish of Fairfield Coin Club and 2) Willie Quarante of Redwood Empire Coin Club, Santa Rosa.

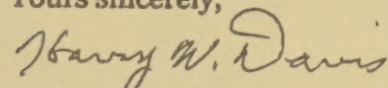

Then the holidays really began and next to enjoying the hobby, numismatists love to eat. . . Thanksgiving and Christmas pot lucks, buffets, dinners. . . you just can't beat the good times, with all that good food and the friendship of my fellow numismatists, along with expanding your knowledge of the hobby.

We are working on the 2008 NCNA show with a tentative date in August but we have not as yet secured a contract with the Elk's Lodge in Vallejo. We had a date with the Elk's Lodge in Fremont but it turned out to be on Easter Sunday so we thought this would not be a good date.

Well I'm looking forward to 2008 - Leap Year so we get an extra day to enjoy the hobby. And hopefully I will see you and get acquainted at all the other upcoming club shows or functions.

As I always say, support your local clubs, don't just let the other guy do it all, for you too can enjoy the fruits of your labors! Until we meet again, I remain

Yours sincerely,

Harry W. Davis,
President

MINTMASTER'S QUILL: An Editor's Prerogative

My Friends:

As 2007 has now ended and 2008 commences, thoughts ring through the gray matter of my mind for with the end of 2007 that year measured my thirty-fifth (35th) year in and with organized numismatics, not much an anniversary and certainly not much that might cause one to pause and to ponder.

But in these thirty-five years, I have witness some profound changes in our hobby, 'this hobby of kings and king of hobbies', like myself who went from joining one local coin club into joining over seventy-five numismatic organizations, from the local coin clubs in several states to the national and international associations. So for me, it has been consistency with the enhancement and enjoyment in 'our world of money'. But in these thirty-five years, I have witness those profound changes, which until these are articulated in writing any coin hobbyist might not be aware or even comprehend what years and times has wrought.

First, in my thirty-five years, the United States Mint has become the world's largest and most present coin dealer. From just doing Proof Sets and Mint Sets and fighting commemorative coinages, just look at what your latest United States Mint Catalog or advertising now in the national media has brought. The United States Mint now does its own catalog. Thirty-five years ago, it did simple order forms generated by an office draftsman using a LeRoy Lettering Device!

Second, exercising its sovereign power, under Article I, Section 8, Clause 5 of the Constitution, the United States Congress has now become---for whatever financial inducements and political realities coupled with the power of special interests and lobbying---the strongest force and factor in our nation's coinage and into the pocket books, wallets, purses, and swiping of credit cards of coin hobbyists. Thirty-five years ago, any discussion about our coins in the halls of Congress was pigeon-holed and tabled.

Third, numismatics---centuries old and traditional plus the trait and the pursuit of the educated and elite--has now become two or three versions. There still remains 'organized numismatics', the segment that has been my commitment and devotion since August 7, 1972. Yet, there is now the 'commercial numismatics', the business and auction house segment that any reading of COIN WORLD or NUMISMATIC NEWS or THE NUMISMATIST confirms. Numismatics is now a business.

There still also remains the third segment, 'the coin community'---to use the term promoted by Robert F. Fritsch of New Hampshire---or as I address it 'fraternal numismatics', that segment that has always been---and hopefully shall always be---the fellowship, camaraderie, enjoyment, and quality times among those with a kindred avocation. For those, who think and believe globally---which itself another major impact on 'our world of money'---this 'fraternal numismatics' continues to enthrall and to excite.

Any coin hobbyist can conclude the ramifications from these musings plus changes and what the next thirty-five, or any measure of time, might witness.

Ending, the onslaught of 'commercial numismatics'---with allies in the investment houses and halls of Congress---shall be the greatest issue confronting our hobby, 'our hobby of kings and king of hobbies', in the next decades. My thoughts here offer little as to what might be or what should be, from this onslaught. My eyes have witness changes, and my mind reflects. Though, in closing, the common denominator shall remain, as I once wrote, before, 'people collect coins; coins do not collect people'. **Remember: Have Fun With Your Hobby! Always Serve Others! Enjoy Your Collecting! And, Create Hope!**

Numismatically Yours,

Michael S. Turrini, F.R.C.N.A.

Miller Medal

First, Congratulations to Mark Wm. Clark, lately of San Francisco, California, who was selected as the 2006 Recipient for the 'Miller Medal', the 'Ron Miller Memorial Award'. Mark was recognized for his efforts with local coin clubs in San Francisco and San Mateo counties, serving as an officer and positions with the Pacific Coast Numismatic Society, San Francisco Coin Club, and Liberty Numismatic Society. His most devoted diligence was saving and serving the San Francisco Coin Club during some recent difficult and demanding times. He was also known for his efforts in enhancing understanding about numismatics 'south of the Border' in Mexico, being fluent in Spanish. For personal and health factors, he has just recently relocated to The Sunshine State, Florida. The actual presentation is hoped for early 2008.

Second, written nominations are now formally called for the 2008 'Miller Medal', with the deadline of June 30, 2008. The eligibility and criteria remains "any active coin hobbyist residing within California at least five (5) full years prior with a verified record of service and support---significant and substantial involvement and interest---in numismatics." Further, "the criteria shall be: superior, sustained, and significant support and service to numismatics and its coin hobby and/or devotion and dedication, consistent and meritorious, to numismatic organizations." These are from Article III of the Charter governing the 'Miller Medal' adopted January 24, 1994. *Sidebar:* Copies of this Charter may be requested from Your Editor.

Based on past practice, the Board of Directors have concluded that multiple service in and with several organized numismatic groups has precedence *over* longevity or limited dedication to one organization. Equally, current NCNA Individual Members have preference also *over* non-members or former Individual Members. The 'Miller Medal' is also for individuals, not any organizations or identities

Mail written detailed nominations to '2900 Georgia Street, Vallejo, California, 94591-6602'. Must be postmarked no later than June 30, 2008.

BRANCH MINT REPORTS: Club News and Happenings

What's Up? In the September 2007 NCNA HEADS AND TALES, Your Editor identified the Editor and Name for each of the local northern California local club newsletters/bulletins or whatever is known or published in their respective periodical. To date, no errors or omissions were replied, which should imply the correctness of what was published or that so few, if any, ever read NCNA HEADS AND TALES, the latter possibly more true than thoughtless! Anyway, in future issues, Your Editor intends to identify some specific about each local coin club. This issue would list known email and/or telephone contacts for each denoted local coin club. As usual, contacts may be to 'PO Box 4104, Vallejo, California, 94590-0410' with email to EMPERORI@juno.com.

Alameda Coin Club Ended 2007 with its Annual Christmas Dinner last December 4, 2007 at Alameda, California's Acapulco Restaurant, with "members who worked the coin show getting a free meal with drinks." What was interesting was that the ACC has a "long standing policy of the Club that the Club does not pay for alcoholic beverages." But, at this same Dinner, **Donald R. Barsi**, the Club's Treasurer and Bourse Coordinator, for his Show 'n Tell had "drink tokens from Santa Clara County"! **Robert G. Sturn**, Editor the Club's monthly THICK AND THIN TIMES, reported that "it was a good time of fellowship and fun for all. We are looking forward to another great year." At this same gathering, **Cliff Sherman** "brought a Persian coin form about 450-300 BC made of 95.8 silver", what a fineness for an ancient coin!

California Exonumist Society *Late Report:* The CES shall gather on Saturday afternoon, February 2, 2008, during the San Jose Coin Club's Show, inside the Pavilion Hall, Santa Clara County Fairgrounds, 344 Tully Road, in San Jose, California. The time traditionally has been 2:00 PM, and the meeting location would be a separate partition area on the Show's main bourse floor. The speaker assigned is **Michael S. Turrini**, with a displayed generated presentation on 'Collecting GGIE: What's Hot From Golden Gate International Exposition'. Show 'n Tells from the famous 1939 and 1940 Treasurer Island exposition would be welcomed. The next issue of the CES' quarterly MEDALLION is being mailed just as this issue of NCNA HEADS AND TALES hits the letter carrier's bag.

Cupertino Coin Club **Lyle Okamoto**, one of the fast rising personalities in northern California organized numismatics, has created an exemplary electronic mail monthly COIN PRESS. In the December issue, he reported that at the recent December 8, 2007 Joint Christmas Party by the Fairfield Coin Club and Vallejo Numismatic Society that "a wonderful time was had by all!" He added that "at this Party, special presentations were made to our own Cupertino Coin Club Life Member **Gordon R. Donnell**, for his decades' long service to numismatics. The Cupertino Coin Club contingent at this Party intended to present to **Gordon** with a special plaque, but due to an oversight, the plaque was left behind in San Jose! Some quick thinking by CCC President **Alvin H.W. Lo**, however, saved the day. Al presented Gordon with a hastily made, but official IOU, for one plaque! Congratulations, **Gordon!**" Appreciation should be noted to **Fred G. van den Haak** who taxied the entire van load of the aforementioned Cupertino Coin Club contingent: **Alvin H.W. Lo**, **Gary Acquistapace**, **Lyle Okamoto**, along with **Gordon R. Donnell**, driving through some terrible Saturday traffic! Thanks, **Fred!** The CCC ended its 2007 year with its December 14, 2007 Christmas Party, famous for the Togo Sandwiches. Going back a few months, **John Jencek** spoke on, from a PowerPoint presentation, 'Introduction To Ancient Coin Collecting' at the CCC's November 9, 2007. Note: Your Editor highly recommends this program, having heard it. It is geared for the novice into ancient numismatics.

In addition, he also was thanked for "handling the 'Youth Table' during the Saturday, October 20, 2007 of our Show", and doing the 'SQS', 'State Quarter Search'. Fairfield Coin Club

Had A Real Party! The Club changed its November 28, 2007 to be a '*Burrito Night*'. Now That Is A Change From The Often Heard '*Pizza Night*' and '*Hot-Dog Night*'! Working the range and doing the cooking were **Paul Romesburg** and **Jon-Maria Marish**, with attending members bringing side-dishes. Earlier at the Club's September 26, 2007, a former President, who served at the young age of 18, back in the mid-1970s, **Michael Johnson**, visiting the area, stopped and shared memories and updates as this life and career. Also at this meeting, the 2007 Coin Show's top Show Drawing sellers were honored: **Michael S. Turrini**, **Irene Carrillo**, and **William F. Bartz**. *Special Note:* The Club's Nineteenth (19th) Annual Coin Show is set for *Sunday, September 7, 2007 again inside the Willow Hall at downtown Fairfield, California's Fairfield Community Center, 1000 East Kentucky, off Pennsylvania*. This will again be a full-day one-day Show with Youth Table and youngster activities, collector meetings, and Drawings. *Note:* The Club is happy to report that its misplaced perpetual plaque for its esteemed '*Rich Neily Memorial Award*' has been both located and returned, from of all places: above a television in an family room of a home in southern Washington! Well, At Least It Is Home! For the record, prior honorees have been **Jan D. Henke**, **George J. Flannagn**, **Michael S. Turrini**, **Joseph R. Sirois**, **Ronald W. Kelichner, Sr.**, **Craig F. Blackwood**, **Ernest E. Drake**, **William F. Bartz**, **Sandra L. Bearden**, **Dr. Walter A. Ostromecki, Jr.**, and **Robert W. Belleau, Sr.**

Fresno Numismatic Society

Retiring FNS President **James Obler** ended this four years as the helm of the FNS with these nice, and quite provocative, comments, pertinent to any local coin club: "we should bring guests and family members to meeting and try to interest our friends in numismatics. When you attend the meetings, do not be shy about showing your enthusiasm. Participate in the discussions! Share your ideas and suggestions about ways to improve our organization! If anyone feels inspired to join the Board of Directors or to run for office, remember that those opportunities are available. Please keep in mind that the success of the Fresno Numismatic Society [or any local coin club---*Your Editor's addition*] depends on the combined efforts of all our members. If our collective efforts are strong, our club will be strong. Let's work together to help make that happen." *Great Words and Excellent Lessons*. On other news from FNS, at the October 9, 2007 meeting, **Ruth M. Phillips**, among the most well-known and important coin hobbyists in our State, "told of her acquisition of the 1937 Antietam Commemorative Half Dollars. With the addition of this commemorative coin, it brings her to within two of completing her set." At this same meeting, **Steven Foster, Jr.** "donated two binders full of first issue stamps to be auctioned-off with the proceeds going to the Society. These raised \$41.00. Thanks, **Steven.**" **Randy Clifton**, FNS's longtime FRESNO NUMISMATIST, in its masthead, identifies the FNS as '*Fresno's Club of Coin Collectors, for Coin Collectors*'. Nice Catching Saying.

When this issue of NCNA HEADS AND TALES has been mailed, this Club shall have concluded its Sunday, January 13, 2008 Installation Dinner at Fremont, California's Spin-A-Yarn Restaurant. The Club's 2008 Officers would have been installed at this Dinner, and they are: **Alistair Skinner**, *President*, **Jeff Colburn**, *First Vice-President*, **Kris Martin**, *Second Vice-President*, **Briita Ehlers**, *Treasurer*, **Dorothy Galovich-Call**, *Recording Secretary*, and **Matthew Hutchison**, *Corresponding Secretary*, with *Directors*, **Bruce Caires**, **Chuck Call**, **Don Ehlers**, **Wanda Johnson**, **Dennis Pagano**, and **Bob Whitaker**. At the FCC's earlier November 13, 2007 meeting, longtime FCC member **Carl Snyder**, as his Show 'n Tell, showed a "dockside photo his younger self while in the service" during the Second World War with "his Good Conduct Medal and certificate." At this same Show 'n Tell, **Chuck Call** shared a 1900-dated \$10,000 note, cancelled sadly!

Liberty Numismatic Society

Reports that its outgoing President **Mark Wm. Clark** has relocated to the Sunshine State, Florida. The 2008 LNS Officers are: **Gene C. Hoy**, *President*, *Vice-President*, sede vacante, **Ken Fowler**, *Treasurer*, and **Dr. Regan Shea**, *Secretary*, with *Directors*, **Allan Edmonson**, **Jim Rosen**, and **Chris Thompson**. Going back to October 17, 2007, the LNS' famous Book Auction was held: "doing a superb job of standing-in for the injured **Stephen M. Huston**, Auctioneer **Mark Wm. Clark** hammered-down lot after lot of numismatic reading material. There was a nice selection of material available due to the generosity of book and catalog donors: **Kenneth J. Barr**, **Mark Wm. Clark**, **Peter Hamilton**, **Gene C. Hoy**, **David W. Lange**, **Jim Rosen**, **Chris Thompson**, and **Joe Wargo**, with a cash donation made by **Donald R. Barsi**. Illness and other factors took a toll on the attendance, keeping several perennial bidders from participating in the Sale. As a result, the final tally of all bids was \$348.25, a figure well-off last year's total." The LNS ended 2007 with its 'Save Room For Dessert' December 19, 2007 Party, which included the Annual Gold Attendance Drawing. *Additional Note*: The LNS was represented at the previously reported December 8, 2007 Joint Christmas Party of the Fairfield Coin Club and Vallejo Numismatic Society by **Gene C. Hoy**, who joined the honors bestowed upon **Gordon R. Donnell**, with an engraved uniface silver medal. Gene's comments were of both seriousness and laughter, noting that his first remembrances of **Gordon** were **Gordon's** constant complaining about 'I Never Win'.

As compared to other local coin clubs, regretfully not much has been informed to report or to announce for the LVCC, save this rambling, from the Club's November newsletter: 'This Month's Program(s)—This month [November 2007] the program is, well, as is getting to be the case, loosely defined, although last month was the same and the time went by quickly. Since this is the Thanks Giving Month...ahh...I have nowhere to go with this. See You There!' *Well, Folks?*

Pacific Coast Numismatic Society

Stephen M. Huston presented a most insightful program at the PCNS' October 24, 2007 meeting, '*Numismatic Sizzle*'. *Here Are Some Insights:* "For instance, an 1804 United States Silver Dollar, which is a fantasy made sometime after 1804 for presentation to several dignitaries, nevertheless will sell immediately when it comes on the market even though there may be several dozen pieces known. In contrast, one can purchase an 1804 George III English Bank Dollar for many thousands less, although it too is popular because of its 1804 date." *Another:* "Coins that have 'sizzle' include the shekel of Tyre, attributed to be one of the 'thirty pieces of silver' supposedly given to Judas for betraying Jesus. Reality is that is not really the coin that would have been circulating in that area of the world at that time. Also, the bronze Tiberius 'Tribute Penny' is a coin that portrays a later Caesar, not the one that should have been pictured. However, mentioning the 'thirty pieces of silver' or the 'tribute penny' means that these coins will readily sell for more money than if none of the 'sizzle' attributes had never been mentioned." *Additional:* "Steve ended his well photographed presentation with two local San Francisco pieces, one of Maggie Kelly, a notorious lady in San Francisco's Barbary Coast, and the equally notorious 1000th Meeting Commemorative PCNS Medal, which has a 'sizzle' all its own, or not! [PCNS] Editor's Note: These PCNS medals are still available at \$30.00 per set. Get Them While They Are Hot!!" As **Stephen M. Huston** noted, "do not buy the sizzle, buy the steak."

Reported a nice coin show last November 11, 2007, and expressed gratitude to **Jim Southward**, **Joe Jurado**, **Howard Wheeler**, **Rich Douglas**, and **Fred G. van den Haak**, "our Show could not happen without the support of all dedicated members!" Appreciation was also acknowledged to **Michael S. Turrini**, and assistance with and from **Gordon R. Donnell**, for staffing a 'combination youth and information table', and doing the 'SQS', 'State Quarter Search'. The PCC ended 2007 with its December 10, 2007 meeting and its 'Special December Holiday Drawing', "which has \$400.00 in choice coins as prizes for **Xan Chamberlain** to win!"

The November 2007 issue edited by **Dr. Charles Catlett** 'caught my eye', for **Dr. Catlett** paused and wrote about 'gratitude' in light of the annual Thanksgiving Holiday, and his words are well-worth reiterating here: "It is a good tie to reflect on where we have been, where we are, and where we are going, and to be thankful for all the above." He expanded his theme to include the RECC: "We should be thankful to **Henry Wrede** [deceased] for the idea of forming this Club in 1949, and for all the members who have kept it going since. Special thanks go to the two people who spend the most time for this Club: **Lee H. Gong** and **Merle Avila**. Their selfless efforts are what keeps the Junior Program so strong, our Coin Show so big and successful, and our meetings running well, with obtaining drawing [raffle] prizes and specialty meal preparation just two parts of their work. If you get a chance, let them know how they are appreciated. Thanks to all the other who contribute: **Willie Quarante** for setting up coffee and running the drawing sales; **Kurt Ginter** for keeping tabs of our finances; **Ed Reinfeld** for keeping track of the Auction; **Gabe Lopez** for getting the beverages...Thanks to the members who also bring in coins for sale before and during the meeting, because it is nice to be able to go shopping at each monthly meeting. And, thanks to all the members for participating in meetings, bringing Show 'n Tell items, working at the Coin Show, and bringing Goodies to snack on."

Our friends in The Silver State have been busy, with **Steve Graham** speaking on 'Tone Coins' at the RCC's November 6, 2007 meeting: he "made an excellent presentation on toned coins and how these add value to your collection. Several members brought their toned silver coins and wondered: 'How did this happen?'" In the December 2007 RENO CARTWHEEL, the appeal for the Club's annual dues had a nice spin-off: 'the biggest little coin club in America', and as a bargain!

San Francisco Coin Club

Along with the Liberty Numismatic Society, SFCC is losing **Mark Wm. Clark**, as its double Secretary and Editor for its monthly TWO CENTS WORTH. **Lyle Okamoto** has agreed to replace **Mark** effective with the January 2008 TWO CENTS WORTH. The SFCC's October 26, 2007 had several special guests and visitors present: **James W. Hunt**, from San Diego, California, **Robert R. van Ryzin**, from Iola, Wisconsin, and **David W. Lange**, from Bradenton, Florida, the latter presenting an impromptu program about coin collecting boards, the precursor of modern coin folders and albums. The SFCC ended 2007 with a small gathering among its faithful members and guests on December 28, 2007 at San Francisco, California's fashionable and famous 'Tennessee Grill', a well-known eatery of fine food and atmosphere in the Sunset District. At this festive event, Treasurer **Michael S. Turrini** did a 'stamp thing' for his Show 'n Tell: displaying United States Scott #2, the 1847 Ten Cent Postage Stamp, and the 1893 \$5.00 Columbian Commemorative issues, the latter having the same Christopher Columbus portrait as the famous Columbian Commemorative Half Dollars.

The SJCC October 10, 2007 meeting was described as 'Giant Auction and Lasagna Make A Fine Combination': "October's General Meeting saw fifty-two members and guests sit down to a delicious, home-made lasagna dinner, with salad and garlic bread. Life Member, Past President, and Hall of Famer, **Sally Johnson** provided the dinner, and other Club Members brought the desserts. Thanks to Sally, and her helpers: **Briita Ehlers**, **Dorothy Call**, and **Ryan Johnson**. And, thanks to all who brought desserts to top off a fantastic meal. Following the dinner was one of the Club's best auctions ever...it was active, with most of the items being sold, including some of the more costly lots." The Auction Team included **Kenneth J. Barr**, Auctioneer, **Ryan Johnson**, Runner, with **Ronald Ishizaki** and **Richard Boston**, at the Auction Table. At the following November 14, 2007 meeting, **Larry Benson**, also a SJCC Life Member, Past President, and Hall of Famer, delivered "an excellent talk on two commemorative half dollars that he has collected and studied for many years. His topic was the Booker T. Washington Memorial Commemorative (1946-1951) and the Carver-Washington Commemorative (1951-1954). Larry discussed the large melting of both issues and the uncertainty of the quantity of these remaining silver half dollars, which were minted at all [then] three mints." Going back some months, the SJCC lost **Al Mandell**, last June 30, 2007, to a long-term illness. He held Membership #83, having joined in January 1959. He, also, was the second inductee elected to the SJCC's Hall of Fame back in 1983.

Heard **Frank Ramczyk** speak on the Mint Acts of 1792 and 1965 at its December 12, 2007 meeting, "the two of the most important pieces of coin legislation in United States history." The SCCC elected its 2007-2008 Officers and Directors recently, and they are: **Aaron Brown**, *President*, **Randy McCoy**, *Vice-President*, **Barbara Tandy** and **Carol Kailes**, *Recording Secretary*, **Ginny Ramczyk**, *Corresponding Secretary*, and **Lloyd Solomon**, *Treasurer*, with *Directors*, **Hall DeBoard**, **Mark Garcia**, **David Ramczyk, III**, **Sandy Woodward**, **Terry Woodward**, and **Mike Tandy**. Vallejo Numismatic Society

Voted to raise its dues, the first increase in twenty-nine years, this past December 2007. At the December 5, 2007, gathered at the Vallejo Naval and Historical Museum, the VNS held its Hopperstad Auction, with a record two hundred three (203+) plus lots! Auctioneers were **Michael M. Stanley** and **Michael S. Turrini**, who called the huge white elephant auction just under two hours! **Paul Romesburg** and **Michael Butler** served as the Runners, and **Dr. Rodney W. Baker**, **John P. Russell, Jr.**, and **Irene Carrillo** did the Recording and Cashier duties. With additional adjustments to be remitted, the VNS claimed \$724.00. The VNS also honored long-time member **Josef Klaus** with its esteemed 'Silver Medal', Award #16, last December 8, 2007 during its Joint Christmas Party with its neighbor, the Fairfield Coin Club. At this Party, **Gordon R. Donnell** was honored with an American Numismatic Association (ANA) 'President's Citation' from ANA President **Barry S. Stuppler**, represented by **Michael S. Turrini**. Speaking the Joint Christmas Party, a nice attendance of seventy-five members and guests filled the Budweiser Room at Anheuser-Busch Brewery in Fairfield, California. The 50/50 of \$105.00 went to **Michelle Martin**, and the Mega-Drawing (raffle) claimed a record \$1660.00! There were so many Door Prizes that everyone won something, and then there was a second drawing! The Annual Roast and Laugh credited **William F. Bartz** and **Josef Klaus**. Earlier at the Society's November 7, 2007 meeting, **Robert E. Luna** did a fine presentation about World War II numismatic collectibles, to which **Michael S. Turrini** contributed about Rationing and Ration Books. Among the Show 'n Tells was **EP Wallaker** with his Air Force 'Dog Tag' and **Robert E. Sather** with his Army 'Good Conduct Medal', presented in a box dated 1944. In recollections, every veteran present replied verbatim his service Serial Number!

Special Note

As most NCNA HEADS AND TALENS readers might know, Your Editor doubles and triples in writing for the California State Numismatic Association's (CSNA) CALIFORNIA NUMISMATIST a like column, titled 'Around The State', plus submits occasional news stories to NUMISMATIC NEWS. Color coverage depends upon the regular and timely receipt of local northern coin club newsletters/bulletins to 'PO Box 4104, Vallejo, California, 94590-0410'.
